Archway Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.My God--One Jew s Views: Autobiographical Thoughts and Poems captures in related essays, ruminations, and poems the milestones that mark Joshua Katz s life. He claims his Jewish identity while grappling with its meaning for his life, just as he finds both solace and challenge in contemplating God s role in his daily affairs. In the course of surveying the author s own life and thoughts, My God--One Jew s Views takes the reader on a journey through times of education, recreation, love, marriage, and the heart-wrenching loss of children through still-birth and suicide. These events provoke thoughts about God s nature, the point of religious practice, and the very search for life s meaning. Placed like interludes amid honest, introspective prose, are poems that explore the author s feelings as he experiences life s passage. Mixing questions and observations, these poems confront the reader with the essence of the author s life. In Belief, for example, he writes, To believe or not--that is life s question. / I think of my wife and smile with comprehension. / Until the waves stop crashing ashore, / Together let s be happy forever more! Mem>My God--One Jew s Views: Autobiographical Thoughts and Poems does not avoid the most personal and intimate details of the author s life, yet in that specificity lies the key to making a universal appeal. If you feel love in your life, if you know pain in your days, if you ve ever questioned God s purpose or whether religion really matters (regardless of your religion), then My God--One Jew s Views will speak to you.
