## Successful Poultry Management

By Morley A. Jull

Biotech Books/Daya Publishing House, 2013. Hardcover. Book Condition: New. 2nd edition. Based on working data drawn from researches and the experiences of established poultry raisers, the present aptly illustrated book is a complete and comprehensive work that presents the available information on all such factors that determine success in the various branches of the poultry work: culling, breeding, renewing the flock, brooding and housing, feeding and nutrition, diseases and their control, cleaning and maintenance of poultry house, grading and packaging of eggs and dressed poultry, and even marketing. Besides discussing the principles and processes involved in all these areas, the emphasis has been on the factors affecting the quality of eggs and chicken meat. Incorporating carefully chosen illustrations, bibliographic references and an exhaustive index for easy reference hunting, the book should be highly useful for students, researchers as well as commercial and other producers.;Chapter 1: Keeping Good Stock; Securing Results from Present-day Flocks, Eliminating Mongrel Stock, Selecting Purebred Stock, Choosing a Profitable Breed or Variety, Participating in Poultry Shows, Supplementary Activities, Chapter 2: Culling to Maintain Efficient Production; Preparing to Cull, Culling the Growing Stock, Culling the Laying Stock, Judging for Egg Production, Adopting and Carrying Out a Culling Program,...
