LIVES OF CELEBRATED STATESMEN (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Lives of Celebrated Statesmen John Quincy Adams is one of those men whose history is so marked and signalized by the events that crowd into their lives, and the variety and greatness of the services they have rendered, that no mere language of eulogy can be compared in impressiveness with the simplest narrative of their actions. It was his singular privilege to receive the most precious boon of a benignant Providence, in the original constitution and innate ingredients of his mental and spiritual nature - a full measure of the excellent qualities of both his father and his mother. In the strength of his intellect, in the largeness of his political views, and the fervent energy of his impulses, we behold the traits of that character which made John Adams a master-spirit of the American revolution; and whoever reads the letters, or retains in his memory an image of his mother,...
