## RATIONAL NUMBERS: POEMS

[DOWNLOAD](#)

Truman State University Press. Paperback. Book Condition: new. BRAND NEW, Rational Numbers: Poems, H. L. Hix, In his second book of poetry, H L Hix uses two contrasting poetic sequences. 'Orders of Magnitude' defies rationality in favour of invention in the musical sense: producing a short composition that works out a single idea. As in music, the whole composition achieves its irrational effect through rational formal structure, with 100 poems, each ten lines long, with ten syllables per line. In the second sequence, 'Figures', the speakers follow their 'pure' rationality, though it leads them -- inevitably -- into the dark heart of the irrational. The result is a ledger of love and loss, a balancing of grief's books.
