INFANT BAPTISM, and C. 69 or fifteen hundred years at least; and most certainly, originated from a good and pious design; but like all other institutions, both divine and human, it has been, and still is horridly abused. Nevertheless, its antiquity should have engaged your reverence, and its abuse excited your pity; but (it is lawful, even to learn from an enemy, and therefore) I hope all sponsors for children, into whose hands your book shall fall, will improve by your severe castigation, and act, henceforth, as people who remember, that the vows of God are upon them. Instead of joining with you in calling confirmation a ceremony that would better become Simon the Sorcerer, than a Christian bishop an uncriptural appendage to a groundless pfactice, (i. e. infant baptism) foolish in every view; a medley of folly and profaneness, Dionyslus called them Jueepicm; Tertullian, spenforet; and Augustine, nsponfcret, propARvui. il, lib. I. de peccat, merit, et remiss, cap. xxxiv. Such sureties, seemed peculiarly necessary for the early ages of the church; that in case a child had the misfortune to lose its parents, others were under a serious engagement to take care, that it was not seduced by heathens or heretics, from the religion of Christ, and to see that it was early instructed in the things of God. And did people pay a proper regard to their own solemn promises, they would always seel themselves nearly concerned for the welfare of all those,...
