CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 94 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Ever heard of the Fiery Dragon? It was a pirate ship commanded by Billy One-Hand who was one of Captain Kidd's captains. Legend says it's Captain Kidd's own ship, the Adventure Galley, was sunk near Ile Ste. Marie, a coral ringed island off the coast of Madagascar. The locals call the island Pirate Island because legend further says more than twenty pirate captains buried their ill-gotten gains on the island. The master-mind of where their treasures were hidden was Le Buze, the Buzzard. Near as we could tell, he had helped twenty-two of them pirate captains hide their loot. Now that's a whole bunch! I'll tell ya. We found a descendent of Le Buze named Sebastian who helped us comb every inch of that island. It's a good thing we had a certain power Merlin had granted us or we'd have had no luck at all. Ya probably already know the power I'm talkin' bout. We had to call on Long John again. Yer gonna be surprised at all we went through with him includin' the run in with a bunch of scurvy pirates. Long John, n everone with him, loved every minute of it though. Shuck yerselves out of them warm clothes ya had on durin our last adventure. It's down right balmy in Madagascar. Ya might want to get out yer snorkelin' stuff cause them waters around Pirate Island is full of the most beautiful coral reefs ya ever seen. Thanks fer joinin' up agin. As always these adventures just ain't the same without ya. Gramps This item ships from La Vergne, TN. Paperback.
