I may spend a whole long lifetime in this country that is so new to me now. Your future home is prettier than this, said her friend. The Huapala plantation is on another island - Maui. You will have a waterfall for a near neighbour, high mountains and a view that cannot be beaten in the whole kingdom. I have often thought, said Florence, that the more noble and awe-inspiring nature is, the more lonely you feel. Well, you will have company, too - any number of agreeable men riding in to see you from the other plantations - nice, clean Englishmen, mostly younger sons. There won't be many women, but I guess you can stand that - I could. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
