Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have ever gone through within my own existence and could be the greatest PDF for ever.

SCENES FROM THE LIFE OF BENJAMIN FRANKLIN (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Scenes From the Life of Benjamin Franklin The paintings which form the subject of this volume constitute the frieze in the entrance hall of the Franklin Union Building on Berkeley Street in Franklin s native town, Boston. It is fitting that reference should be made to the fund which has produced Franklin Union and to the work which this institution is accomplishing. No better description could be given of the origin of the bequest than that penned by Franklin himself in the codicil of his will written in June, 1789, from which the following paragraphs are selected. It having long been a fixed political opinion of mine, that in a democratical State, there ought to be no Offices of Profit, for the reasons I had given in an Article of my drawing in our Constitution, it was my intention when I accepted the Office of President to devote the appointed Salary to some public Uses, . I do hereby. direct that the certificates I have for what remains due to me of that Salary be sold towards raising the Sum of Two thousand Pounds Sterling, to be disposed of as I am now about to order. I was born in Boston, New England and owe my first instructions in Literature, to the free Grammar Schools established there: I have therefore already considered those Schools in my Will.
