TOUCHING THE BRILLIANCE OF SUNRISE: A NOVEL OF FAITH, LOVE, AND SECOND CHANCES

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 310 pages. A good story without violence or profanityan upbeat romance with a happy but believable endinga novel that makes you feel good about lifeyoull want to leave this one lying around for your kids to find. Melissa, a youthful mid-life artist from California, takes a vacation with her three kids to the coast of Maine. Shes hoping for some quality family time at a turning point in their livesand dreaming of moving to Maine someday soon. They meet Kraig, a writer from Oregon, walking on the beach with his guide dog. Hes slightly younger, articulate, gentlemanly, deeply intuitiveunlike any other man shes known. Neither is looking for lovebut life has other plans. What happens when Melissa realizes she might have to choose between her lifelong dream of living in Maineand being with KraigThe characters are realistically, likeably imperfect. They talk like real people, have real needs, make real mistakes, learn hard lessons. They grow in their faith and in their relationships with each other, setting an example for those around themand for you and your family. Some of the best writing Ive come across. It had me spellbound as much as the Left Behind series. This book rocks. I cant get enough. Lisa, your writing sings and is sheer poetry in motion. Golden Beautiful.
