KALEIDOSCOPE DOPE

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.From Branded : . .perhaps that was why I was vomiting just before I had to give my presentation on protecting corporate brand names images so that no negative associations could be linked to that brand name how important that is, it s a matter of free speech really, we have to be free for everybody to be able to speak in postive ways about our brand otherwise it will hurt our bottom line . Plays stories such sundries as will make copious noise. From the author of The Violating Word.
