Brand New Book ***** Print on Demand *****.Take a moment to consider the educational system as a whole. The very system itself is fractured and broken and has been taken over by chaos; this includes the academically splintered cell in which your children are educated. The school board, principle, vice principle and the teachers for the most part have arrived in the field of education due to their incapacity to make it in the real world. Look at this flawed reality in which your children are forced to populate. Your children are under the restriction and virtual imprisonment of this institutional mechanism for virtually half of their lives up to the age of 18. Have you ever investigated the aptitude of even one teacher who has regurgitated textbook ideologies and philosophical notions into your child s mind? Surely you ve looked into their academic pedigree. No? How about that of their principle? If you re like most parents, you have no clue who the strangers rearing your children are and just assume they are experts in the field in which they teach. As a society, we ve been conditioned to trust those the government deems worthy , no questions asked. The sad reality is it is highly unlikely that your child s teacher is an actual expert. Experts grace the upper echelon of their field of expertise and their pedigree is supported by published papers and books that dictate the current of their niche. In parent and teacher meetings, after your teen s history teacher pretentiously serves you a laundry list of your child s short comings, how do you respond? Have you considered changing the conversation to finding out what qualifies...
