THE CANARY ISLANDS: A CULTURAL HISTORY

DOWNLOAD

Signal Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Canary Islands: A Cultural History, Peter Stone, The seven volcanic Canary Islands that bask in the Atlantic off shore from the north-west African coast have long had legendary connotations. To the Greeks they were the Gardens of the Hesperides, blessed with a perennial spring-like climate, while the Carthaginians christened them the 'Purple Isles' on account of the rich dye material they obtained there. Inhabitants have ranged from the early Berber-descended Guanches, of whom cultural traces still remain, to the rich blend of European and Latin peoples that evolved after the Spanish conquest in the fifteenth-century. Famous visitors have included Columbus, Humboldt and General Franco, who famously flew from Gran Canaria in a (British-piloted) Dragon Rapide in 1936 to launch Spain's Civil War. In today's cosmopolitan capitals of Las Palmas and Santa Cruz de Tenerife Spanish colonial-era buildings merge with modern centres equipped with sophisticated amenities. For holidaymakers tiny ecologically-oriented havens like Gomera vie with big brash tourist resorts like Playa del Ingles and Playa de las Americas, today's major money-makers after the brief trade boom of yesteryear. Peter Stone explores the fascinating history and culture of this archipelago, where nature and geology provide a spectacular setting for today's tourism industry. FANTASY LANDSCAPE Bone dry 'badlands', orange-grey dunes, giant craters, frozen lava flows, black-sanded coves, rich green bananas plantations and sylvan woodlands shrouded in perennial mists all form part of this multi-faceted paradise. NATIONAL PARKS AND WILD LIFE Four of Spain's fifteen great national parks are located on the islands; Tenerife's 3,700-metre Teide, the country's highest mountain, is the most visited. Island fauna vary from the desert-like lizards of Lanzarote to the rich bird life of La Palma. UNIQUE LOCAL CULTURE Local fiestas abound and traditional dance and music exhibitions are...
