This book is the first book about this aspect. and so far the only one. The business is going through a revolution. some companies and industry as we know it is disappearing. Whether you have long history in this industry. there is currently networked economy era. customers and annual turnover and profits how tall you are to succeed. cooperation community must use this new business mode. The book describes in detail how to build this new business model; close alliance between enterprises can best meet customer needs. This league by a director leadership. it is actually to balance customer needs and interests of the members of the League of an enterprise. The book also tells you about how to use this new business model to profit on various issues. such as customer loyalty in order to increase profits. increase the business owner's equity in the networked economy. The executive summary synergistic win-win will challenge the status quo of the enterprise to improve its strategic sense of urgency. Through more in-depth and comprehensive understanding of your customers. you can transform the enterprise from an ossified value chain into a more flexible. more responsive. more profitable model...
