THE WONDER OF IT ALL

Tate Publishing Enterprises, United States, 2012. Paperback. Book Condition: New. 203 x 130 mm. Language: English . Brand New Book ***** Print on Demand *****.The nativity was displayed every year within our home. I would stand there trying to figure it all out. Jesus was born in a barn, a stable? He is the Son of God. Doesn't he deserve better than that? There were animals in there with him. Oh gosh, what did it smell like? There were shepherds in there with Mary, and Joseph, and the baby, Jesus. Did they even know these people? Then there were the three wise men with their camels who came from where? I didn't think Mary and Joseph knew them either. So many questions filled my head every Christmas season. We continue to celebrate the birth of Jesus, two thousand years later? Why? What made him special above everyone else who has ever been born to this world? Aren't we all God's children? What on earth does our Christmas celebration today have to do with that nativity scene? Weeks of preparation are consumed with decorating, cookie baking, gift exchanges, Christmas carols, and more! The biggest question of all though is what does Santa have to do with the birth of Jesus? Someone help me put the pieces together! To fully understand the significance of the birth of our Lord, Jesus Christ, we must first go back in time. Join this fabulous adventure to find out how the pieces come together. You will discover The Wonder of It All!.
